

SHOW TIME

As a service to APS chapters, affiliates, and our members, the APS publishes contact information for upcoming stamp shows. The listings are provided both on our website at www.stamps.org and on a **space available basis** in *The American Philatelist*. The listings are free to World Series of Philately and other shows that are sponsored by an APS chapter or affiliate. Shows that are not sponsored by APS chapters or affiliates may purchase listings for the month of the show and the month prior. Paid listings cost \$25 per show per issue of *The American Philatelist*.
