

**APS Sales Division wants-
Help! ... reduce the list of countries
we have in short supply!**

10 will get you an extra 5.

You send us 10 completed sales books containing material from the groupings listed below and we will send you a coupon good for blank sales books and/or mounts, **FREE!!!**

See the back of this notice for qualifying countries.

Before you start mounting stamps for us, read the following:

1. **EACH BOOK MUST FIT INTO ONE OF THE CATEGORIES FROM THE LIST ON THE BACK OF THIS NOTICE.** (e.g., a book of U.S. Airmails or one of Peru.)
2. **EACH SALES BOOK MUST BE VALUED AT \$50 OR MORE.**
3. **WE MUST RECEIVE THE 10 QUALIFYING BOOKS AT THE SAME TIME AND IN A PACKAGE TOGETHER.** (5 books one day and 5 books 2 days later will not qualify.) The free book coupons will be sent to you when the submitted books are reviewed as they arrive.
4. **BUYERS ARE LOOKING FOR VARIETY IN THE CIRCUITS.** Higher value books with many items to choose from will satisfy their expectations. Placing one or two stamps in a book does not usually provide variety OR value. **REALISTIC PRICES AND DESCRIPTIONS ARE IMPORTANT.**
5. **THE BOOKS MUST BE ACCEPTABLE FOR CIRCULATION IN OUR INVENTORY.** A book that must be rejected because of nonconformity with sales book rules and instructions, will not count as the 10th book. If we have a problem with a book, we will notify you and correct it, if possible.
6. The Sales Division reserves the right to determine a sales book's eligibility for this offer.
